File I/O Part 1 Exercises (Pair)

Word Count

Write a program that, asks for a filesystem path for a text file and reads the contents of the file. After processing the file, it displays both the number of words and the number of sentences in the file.

- Hint 1: words are delimited by space characters
- Hint 2: sentences are terminated by either a period, an exclamation mark, or a question mark.

Use alices_adventures_in_wonderland.txt for test input.
